Please let our Schools Liaison Manager, Charlotte, know if you are running late. On arrival at your designated drop off point, you will be directed towards the theatre. Volunteers will be standing along this route, please make sure to grab a 'TEACHERS' lanyard from them. Once in the theatre, someone will point you in the direction of your entry door. Please continue to use these doors for all entry and exits to help us manage traffic.

### SECURITY

All teachers must wear lanyards provided on arrival. No adult will be permitted inside the theatre unless they are wearing a Stand Tall lanyard. The registration desk will have extra lanyards if needed.

*All Teachers and Students will be required to completely exit the theatre during the lunch period.*

### QUIET ROOM

Should any of your students need some quiet time during the day, please have a teacher accompany them outside of the theatre. Feel free to use the quiet room downstairs on the ground floor, foyer or outside spaces.

### TEACHERS LOUNGE

Stand Tall would like to invite teachers to our teachers' lounge. We will be providing complimentary tea, coffee, water, light refreshments and lunch throughout the day. Please feel free to slip away and take a break during the day in this hospitality area, if you have enough teachers with your students.

## SURVEYS

### Student Feedback Survey

Your students input is valuable to us as we strive to maintain funding and ensure the continuation of these events in the future. To facilitate this, we have allocated time at the end of the day for a brief, anonymous survey. We kindly request your assistance in encouraging your students to participate in these surveys during the day.

### Teacher Survey

We really value your feedback and would be so grateful if you could also fill in the Teacher survey which will be available at the teachers hospitality area in the foyer. The survey can also be emailed to you after the event.
